

A Message from the President

It is hard to believe that it is almost time to lace up skates for the 2017/18 skating season. I am most excited to serve as Club President completing a second term.

Our volunteer Board of Directors, are busy planning for the upcoming season. They work tirelessly throughout the year to ensure the Brant Skating Club programs are organized and provide a great experience for our skaters. This season we welcome some new members to our Board, who bring a wealth of experience from different disciplines.

We are busy at this time, updating the Brant Skating Club website that introduces our Board members, outlines their positions, and provides their contact information. Please note that BSC has made a few changes to the ice schedule, which is also posted on the website.

This upcoming season, we are offering an opportunity for our skaters to try out for youth synchronized skating teams. Those interested will be given information at registration. A representative from our Club will be available to answer questions about this unique opportunity, tryout dates, skating times, cost etc. Please bring your questions to registration and we will be happy to help you.

Our scheduled registrations are as follows:

Wayne Gretzky Sports Centre: Saturday, August 19th, 9am-1pm

Wednesday, September 6th, 7pm-9pm

Tuesday, September 12th, 7pm-9pm

Monday, October 2nd, 5pm-7pm (Please note that some BSC programs start on this date)

We welcome back our professional coaching staff. We welcome new members to our coaching staff, and encourage members to visit our website to view their profiles. These will be up to date prior to the start of our season. A special welcome to Alison Purkiss and her competitive team. Her team will be coaching on assigned sessions, as we introduce a new group structure for Star 1-3 skaters.

If your skater requires private coaching, it is your responsibility to make contact with a coach. This is a private contract between parent and coach. Our professional coaching staff are listed on the website. Please see our brochure, which will also be on the website soon, for an overview of our programs.

Additional registration dates will be posted on our Club calendar at www.brantskatingclub.ca. Please note: accepted forms of payment are cash or cheque. Cheques must be made payable to the Brant Skating Club. BSC allows for seven equally divided payments. For your convenience, registration forms are posted on the BSC website.

Extending a safe and happy summer to all! See you at the rink!

Sincerely,

*Jennifer Bosagri
BSC President*
